BORNMAN

The offspring of

MARTHINUS HERMANUS BORNMAN

Born: 20 November 1827

Compiled by Vernon Harding
assisted by all those contributing genealogists known and
unknown that spent many an hour of their precious time doing
research building on a Bornman family tree.

Cornelia Elizabeth Johanna

28.11.1894 – 14.07.1987

I dedicate this e-book to my Grandmother, CORNELIA ELIZABETH JOHANNA HARDING born BORNMAN, granddaughter of MARTHINUS HERMANUS BORNMAN (1827-1884)

I always wanted to know more about her and her family after all the stories of living and the hardships they endured in the concentration camps.

The Bornman Coat of Arms

THE PURPOSE OF A COAT OF ARMS

1. Illustrate the characteristics of the ancestry.
2. To serve as a family bond.
3. Emphasize the status of the ancestor.
4. To indicate the official position of the ancestor.
5. To represent Faith Confidence.
6. To prove protective love to one's neighbor.
7. To cause justice and justice to prevail.
8. Call for this generation to stand together.

Introduction

Before you start making a study of the family register of Marthinus Hermanus Bornman, I suggest you first read the article of **Lanie Farrelly (Bornman)** on her website <http://www.bornman.org>. so that you may know where our noble family comes from.

I would like to thank **Lanie Farrelly** for the wonderful work she had done on the Bornman family and allowing me to publish Volume 12 of Marthinus Hermanus Bornman, 1827-1884, on her website.

To view the different source documents it will be necessary for you to open a free account with <https://www.familysearch.org/>

The complete Bornman family register is also available on this website.

This family register is not without its mistakes. If you do find any mistakes please let me know, and if you do have any source documents to prove your point, even better.

Any labeled photos or documents are very welcome. Remember it is not my Family Register, it belongs to all of us that can proudly call ourselves Bornman's.

You can Whatsapp me at [0826064570](https://wa.me/0826064570)

or Email: vernon.harding1955@gmail.com

The other volumes will follow as I complete them. It may take a while because, as you can see it takes a lot of time and effort to create one Volume. Any help, source documents, comments, etc are very welcome. Help on the number of **Johan Christiaan Bornman's** and **Schalk Jacobus Bornman's** will be helpful. Just because of the sheer number of these descendants it makes researching very difficult and confusing.

If you are a latter-day Bornman, please send us your information so that I may add you and your family. It will only take 5 minutes of your time.
