BORNMAN

The offspring of

MEINDERD JACOBUS BORNMAN

Born: 20 June 1825

Compiled by Vernon Harding
assisted by all those contributing genealogists known and
unknown that spent many an hour of their precious time doing
research building on a Bornman family tree.

Lanie Farrelly (Bornman)

I dedicate this Volume to Lanie Farrelly (Bornman). I have never met this this lady but I absolutely admire her for the love she has for the Bornman family and the hardwork she has put into her website, www.bornman.org promoting this wonderful noble family. Thank you so much.

Lanie Farrelly (Bornman)

Introduction

Before you start making a study of the family register of Meinderd Jacobus Bornman, I suggest you first read the article of *Lanie Farrelly (Bornman)* on her website <http://www.bornman.org>. so that you may know where our noble family Bornman comes from.

I would like to thank **Lanie Farrelly** for the wonderful work she had done on the Bornman family and allowing me to publish Volume 10 of Meyndert Jacobus Bornman, 1825-1896, on her website.

To view the different source documents it will be necessary for you to open a free account with <https://www.familysearch.org/>

The complete Bornman family register is also available on this website.

This family register is not without its mistakes. If you do find any mistakes please let me know, and if you do have any source documents to prove your point, even better.

Any labled photos or documents are very welcome. Remember it is not my Family Register, it belongs to all of us that can proudly call ourselves Bornman's.

You can Whatsapp me at [0826064570](tel:0826064570)

or Email: vernon.harding1955@gmail.com

The other volumes will follow as I complete them. It may take a while because, as you can see it takes a lot of time and effort to create one Volume. Any help, source documents, comments, etc are very welcome. Help on the number of **Johan Christiaan Bornman's** and **Schalk Jacobus Bornman's** will be helpful. Just because of the sheer number of these decendants it makes researching very difficult and confusing.

If you are a latter day Bornman, please send us your information so that me may add you and your family. It will only take 5 minutes of your time.

All I need it your full names, as well as that of your spouse and original surname,

Where you were born

Date of marriage

All your siblings, full names, date of birth and where born.

And most of all "Where do you fit in the family tree"
